Dear Shareholder,

**2 CENT CALL ON PARTLY PAID SHARES
INCORRECT ACCOUNT NUMBER FOR DIRECT CREDITS**

We recently forwarded to you a letter concerning a 2 cent call on Atlantic Gold's partly paid shares (code ATVCC). We have today been alerted that the bank account number on the Remittance Advice was incorrect and any deposits by direct credit made to that account number will be rejected. (Payments made by cheque posted to Atlantic Gold NL are not affected.)

The correct account number was given in the letter to shareholders:

Atlantic Gold NL Share Call
BSB: 633-000
Account number: **130 760 473**

A corrected Remittance Advice form is attached. Please accept my sincere apologies for any inconvenience caused.

Sincerely,

JULIE FIDLER
