

PROJECT MANAGER

TOUQUOY GOLD PROJECT Open pit gold mine – Nova Scotia, Canada

Atlantic Gold is an Australian-listed resources company, the principals of which have a successful track record of gold mine discovery, development and operation in Western Australia as directors and executives of the former Plutonic Resources Limited, a 0.5 million ounce per year gold producer.

DDV Gold Limited, a wholly owned subsidiary of Atlantic Gold, has recently completed a Definitive Feasibility Study on its 2.0 million tonnes per year open-pit Touquoy Gold Project in Nova Scotia, on Canada's Atlantic coast. With sequential development of the Company's local Cochrane Hill Gold Project a minimum 10-year mine life is planned. As the first such development in the historic goldfields of this Province, the Project brings together a compelling mix of Australian and Canadian know-how to a region with existing infrastructure, resident workforce and a welcoming investment climate.

The Project is located an easy drive from Halifax, which, as the Provincial capital is an attractive university and harbour city with diverse appeal.

We are keen to attract the right individual in the early stages of the Project as the Owner's Project Manager to manager the Project from planning through development to the production stage. For the successful applicant therefore, this Project will provide an opportunity to lay the foundations of the first major gold mine in the Province.

The successful applicant will be a professional Project Manager with +15 years' experience in the development of major mining projects from feasibility through to production. Excellent communication and leadership skills are essential along with a proven ability to assimilate as necessary the project location and its cultural, commercial and legislative environment. Experience in developing open pit gold mining/processing projects will be a considerable advantage. The project timetable is targeting first gold in fourth quarter 2012. This is a senior position with a salary package of approximately \$200,000 per annum (commensurate with experience).

Interested applicants should forward their Curriculum Vitae by **Tuesday 10 August 2010** to projectmanager@atlanticgold.com.au. Only applicants selected for an interview will be contacted.
